

Know the FAQs about Reverse Mortgages

Thousands of Canadians are using a reverse mortgage as part of their retirement solution. Purpose-built for Canadians 55+ it allows homeowners to turn their equity into tax-free cash.

1. Question: Will the bank own the home?

- ✓ **Fact:** You will always maintain title ownership and control of your home, HomeEquity Bank simply has a first mortgage on the title.

2. Question: Can the bank force the homeowner to sell or foreclose at any time?

- ✓ **Fact:** A reverse mortgage is a lifetime product and as long as the property taxes and insurance are in good standing, the property remains in good condition, and you are living in the home, the loan won't be called even if the house decreases in value.

3. Question: With a reverse mortgage will the homeowner owe more than their house is worth?

- ✓ **Fact:** You can qualify for up to 55% of your home's appraised value and with HomeEquity Bank, every reverse mortgage comes with a *No Negative Equity Guarantee which means that the overall debt will not exceed the cost of the loan as long as the conditions of the loan are met. In fact, 99% of HomeEquity Bank's clients have equity remaining in the home after the loan is repaid.

4. Question: Are reverse mortgages too expensive because the rates are high?

- ✓ **Fact:** HomeEquity Bank rates can be more favourable than alternative lenders' rates on second mortgages or unsecured loans. Plus, with a reverse mortgage, you don't have to worry about making any repayments as the debt isn't owed until the borrower(s) pass away or no longer live in the home.

*The guarantee excludes administrative expenses and interest that has accumulated after the due date.

Know the FAQs about Reverse Mortgages

5. Question: Isn't a reverse mortgage a last resort solution?

- ✓ **Fact:** A reverse mortgage frees up equity that is tied up in the value of your home and can allow you to enjoy your retirement on your terms. Reverse mortgage proceeds are tax-free and after paying off debts, can be used for anything you choose, from purchasing a vacation home to helping grandchildren with school tuition.

6. Question: Can the homeowner(s) still get a reverse mortgage if they have an existing mortgage?

- ✓ **Fact:** A reverse mortgage can be used to consolidate existing debt, eliminate monthly debt payments and provide financial security. If you have existing debt, it would need to be paid off first and the remainder of the funds can be used however you choose.

7. Question: Isn't a Home Equity Line of Credit (HELOC) a better option?

- ✓ **Fact:** HELOCs are a good short-term borrowing option for people who can pay the interest and loan back in the near future. Whereas a reverse mortgage is a long-term financial solution that doesn't require any monthly payments and provides the ability to prolong retirement savings.

8. Question: Aren't surviving spouses stuck with paying the loan after the homeowner passes away?

- ✓ **Fact:** As long as the surviving spouse is on title, they can choose to remain in the home without having to make a repayment.
